THE NUDIST COLONY WAS LEGIT. SO MUCH NAKED FLESH ON DISPLAY, SO MANY UNINHIBITED HOTTIES LETTING IT ALL HANG OUT.

Having parked my car on the shoulder of the rural highway, I slogged through the woods with mounting excitement, a man on a mission.

I hadn't believed my coworker, Paul; not at first, anyway. His story about a nudist colony operating less than an hour's drive from our hometown seemed implausible. Paul wasn't exactly the most reliable guy in the world. And he was known for his pranks and practical jokes. I thought he was pulling my leg, of course.

Until he had shown me the website.

I could hardly believe it, a bona fide nudist colony a mere hop, skip, and jump away. But there was more, a whole lot more. Paul had gone on to tell me that Trina, the hot new intern at our office, was a card carrying member of the colony. "You're full of shit, Paul," I had told him. "No foolin', Bob," he had replied. "Her cubicle is right next to mine. I overheard her talking about it on the phone. She's driving down there this weekend." The look on his face had been lascivious, to say the least.

This was yesterday, Friday to be exact.

Now I was spending my Saturday on what could very well turn out to be a fool's errand. The nudist colony was legit, sure. The internet had verified this much. But the stuff about Trina—well, I still had my doubts. Paul knew that I had a serious hard-on for the intern. He also knew that I was just crazy enough to check out the colony for myself.

Was this another one of his tricks? Surely Paul wasn't that cruel, luring me out here for nothing . . .

I finally reached my destination. A tall wooden fence surrounded the colony grounds. Multiple signs served as a warning. PRIVATE PROPERTY – TRESPASSERS WILL BE PROSECUTED. The fence had been constructed with privacy in mind; no seams to peer through, no knotholes to exploit.

I heard muted laughter beyond the barrier, the tell-tale splash of somebody diving into a swimming pool, the thump – thump – thump of what sounded like a volleyball match. The liberated nudists were having themselves a ball.

Thankfully there were plenty of trees in the vicinity. I eyed the tallest of the bunch. I hadn't climbed a tree in well over fifteen years.

"Oh, well," I muttered. "Here goes nothing."

It was an arduous climb into the uppermost branches, but well worth the effort.

My vantage point afforded me a spectacular view of the grounds. The place was impressive, a regular resort deposited in the middle of the sticks. A swimming pool was the center of activity. I watched excitedly as a blonde MILF with big tits climbed out of the deep end. Droplets of water glistened on her bronze skin. So much naked flesh on display, so many uninhibited hotties letting it all hang out—literally!

I failed to see Trina among them. Perhaps she was in the clubhouse. I shifted in my perch, wishing that I had brought a pair of binoculars. Next time, I vowed; because I would definitely be returning to this little slice of paradise.

"Hey, you! Get down from there!"

The strident order made me jerk. Shit, I thought, losing my balance briefly before grabbing hold of the nearest limb. Looking down, I saw an athletic redhead wearing hiking shorts and a white knit top. The nudist colony's crest was stitched on her breast pocket. She held a walkie-talkie in one hand, a canister of pepper spray in the other.

Security, I surmised; even though she hardly looked like the rent-a-cop type. Doubtless she was a colonist. They probably provided their own security. That she was clothed didn't surprise me. A naked security guard could hardly command respect from a trespassing troublemaker.

I climbed down and regarded her shamefacedly. I had never been so embarrassed in my life. "Look," I told her, "I'm really sorry about this—"

"I suggest you leave," she said.

The redhead would get no resistance from me. I was out of there. Or so I thought; until she surprised the hell out of me. "Unless," she said, "you'd rather stay."

I was confused. Leave. Stay. This was one seriously indecisive chick.

"It gets boring patrolling the perimeter," she said.

"I'll bet," I said.

"I should thank you for giving me something to do."

I didn't know how to respond to that one, so I said nothing.

"How about letting me do that, huh? I'd love to thank you for breaking up the monotony of my day. I can see that you're excited . . ."

She was referring to the bulge in my pants. My all too brief observance of the nudists in action had given me a serious boner.

"Well—um—if you insist," I managed.

I stood there beside the tree, watching with amazement as she unbuttoned her top and pulled it over her head. Her lacy front closure bra was next. I stared at her tits hungrily. They were nice tits. My stiff cock stirred.

The redhead knelt before me. She unbuckled my belt, unsnapped my chinos, and unzipped my fly. It wasn't long before my dick was in her mouth.

Her lips encircling my shaft, she plunged her head back and forth, gobbling me greedily. Her walkie-talkie and pepper spray lay on the ground beside her top and bra. The walkie-talkie squawked, yet failed to distract her from giving me a good and proper blowjob.

In time she came up for a breather, sucking in a lungful of air as her hand shucked my rod, moving up and down speedily. A few shucks later and she was back to doing it in earnest. She seemed to really enjoy it, doing her damndest to make it as sloppy as possible. She sucked and slurped and moaned, sending delicious vibrations throughout my prick.

I couldn't wait to tell Paul. He was going to flip, for sure. The only thing that could have made the situation better was if Trina was sucking my dick. Not that the redhead was deficient in this area. Hell, she was fantastic! But I had come here to spy on my coworker in all her natural glory . . .

The redhead stopped suddenly, and withdrew her face from my crotch. Her chin glistened with saliva.

"Would you like to meet my friend?"

"Friend?"

"She's patrolling the other half of the perimeter. I'm sure she's just as bored as I was before spotting you up in that tree."

"Sure," I said. "The more, the merrier."

"You'll like her. She's our newest member. Her name's Trina."

Shit, I thought, dreading my coworker's arrival as the redhead talked to her through the walkie-talkie.

Trina would come here expecting some hot three-way action to break up the monotony of her shift. But it wouldn't happen, not when she saw me standing here with her fellow colonist. She would put two and two together. She would know that I had come here to spy on her. She would consider me a total creep. Even worse was the likelihood that she would tell everybody at the office. My reputation would be ruined. Hell, I might even be fired.

I blamed Paul. If he hadn't told me about Trina and this blasted nudist colony in the first place . . . well, I would be at home right now, relaxing on the sofa with a cold beer and watching a baseball game on my new flat screen.

Instead—

"Bob!?" Trina emerged from a tangle of vines, her eyes as wide as saucers as she registered my presence.

Blood rushed to my face. For the second time that day I experienced a wave of debilitating humiliation. Here goes, I thought with much dread, bracing myself for a barrage of insults.

Trina said, "What the hell are you doing here?"

"You two know each other?" the redhead asked.

"Bob and I work together," Trina explained.

"Small world," the redhead remarked. Then she looked at Trina and said, "Peeper. I found him up in that tree savoring the eye candy . . ."

Trina regarded me with a bemused smile. "Naughty, Bob. So naughty. You wouldn't have come here hoping to catch a glimpse of me, now would you?"

I was nonplussed.

"I'm flattered, Bob. And turned on . . ."

"You're not pissed?"

"Hardly. I always thought you were cute."

"Really?"

The redhead sighed wearily. "Enough with the chit-chat, you two. Let's have some fun . . ."

Trina got undressed, placing her walkie-talkie and pepper spray atop a knit shirt identical to the redhead's. The official uniform, I reasoned, of what amounted to the nudist colony's security division. Having added her clothes to the pile, the redhead leaned against the fence, rubbing her clit in anticipation of Trina's tongue.

I stood to the side, stroking my cock as my coworker dropped to her knees and proceeded to lap the redhead's cunt lips. Trina serviced her fellow colonist with an eagerness bordering on mania. She licked, nibbled, and suckled the redhead's pussy; all the while her partner masturbated, massaging her clit fervently.

It wasn't long before I joined the fray. Still jerking my prick, I used my other hand to fondle the redhead's tits, kneading and caressing her soft mounds, pulling

and twisting her stiff nipples. We did a real number on her, Trina and I, making her come with a series of ecstatic gasps.

Things progressed as Trina stood and faced the fence, placing her hands against the wooden planks, granting the redhead and I access to her stellar bum. Determined to return the favor, the redhead squatted and spread Trina's cheeks. Then she used her tongue to full effect. Trina moaned when the other colonist licked her asshole, moaned and shuddered with delight.

Pumping my dick faster and faster, I watched as the redhead treated Trina to a robust rimjob, the likes of which I had only witnessed while watching internet porn. Trina lowered a hand between her legs and diddled her pussy; this coupled with the redhead's tongue plunging in and out of her asshole did the trick. She came in much the same manner as the redhead had, panting like a runner after a race.

Being the only one yet to come, I had every intention of tugging myself to completion. But the girls would have none of that. They dropped before me and went to work, double teaming me with their eager mouths.

The redhead sucked my dick while Trina gobbled my balls. As focused as they were on their respective tasks, they maintained eye contact with me the entire time. The redhead's were blue. Trina's were brown. There was a challenge in their collective gaze, a challenge to last longer than a minute or two. A tall order, this.

Still, I gave it my best.

And did an admirable job, if I do say so myself; until Trina, her mouth stuffed with my nuts, reached around and pushed a finger inside my asshole.

The gate opened.

The racehorses took off.

My cock erupted, throbbing inside the redhead's mouth, each pulse coating the back of her throat with man batter. Trina kept her finger inside me, kept my balls in her mouth; even as they emptied and my legs threatened to collapse beneath me.

Luckily I managed to remain standing. Last thing I needed was an injury. The return trip through the woods would be hard enough, seeing as how I was seriously drained of vital fluids. Not that I was complaining.

The girls had just started to get dressed when the redhead's walkie-talkie squawked. She responded promptly, assuring the other party that everything was fine.

"It's time for the shift change," she told Trina.

"Already?" Trina shook her head. "Time flies when you're having fun."

We parted ways. It was almost dark by the time I reached my car. At the office on Monday Paul asked me about my weekend.

"How did it go, man? Did you check out the nudist colony?"

"Afraid not," I lied, telling him that I had felt a little under the weather.

"That's too bad. I was hoping to get the scoop on Trina."t

"You and me both," I told him as he walked away.

Then I went back to filling out my membership application. Trina had promised to vouch for my character. "You're as good as in," she had told me that morning.

I sure hoped so.

Weekends were better in the buff.

The Sex Diary

*As I was cleaning up one afternoon a couple of months ago,
I came across a small diary that I'd never seen her use.
I started flipping through it out of idle curiosity...*

My name's Jaysen, and me and my girlfriend, Naomi, have been dating for a little over two years, and I'll be honest, it was starting to get a little stale, especially in the bedroom. I'm an adventurous type while she's a little more reserved, so the things that we would try to break up some of the monotony only worked for a few rounds. After that either the adventure would fade, or she would get cold feet (sometimes before we even tried the suggestion).

Even though we got along great and worked really well together in everything else, the sex was getting bad enough that we gave each other permission to see other people just to take care of our needs. As soon as we did that, though, we started drifting further and further apart, and I was getting pretty close to calling the whole thing off.

That was when I found it.

As I was cleaning up one afternoon a couple of months ago, I came across a small diary that I'd never seen her use. I started flipping through it out of idle curiosity and discovered that she was keeping a secret sex diary! The latest few entries were talking about some of the guys she'd been with. And she was incredibly detailed, talking about what attracted her to them, what positions they used, what she liked, what she didn't like, and whether they were someone to call again. I was surprised by everything she'd included, and couldn't help but turn back to see what she

wrote about me.

That was where the surprises hit the hardest. The notes about us were a bit more sparse, but I was shocked at how many entries looked the same! Everything we tried, while I thought I was being adventurous and intriguing, she saw our time together as boring. "I sucked him off." "He took me doggie." "Today was missionary." It turned out that to her, I was the boring one.

I fought off the urge to get angry and went back to the other guys she was with, looking a couple of them that she had marked as guys to go back to. "He nibbled my toes." "He let me take control." He ate me out. I still felt his tongue when Jaysen slid inside."

Whatever I thought I did right was backfiring on me all over the place. I realized I had one shot to save our time together. So, I called up one of my friends and asked them to help me set something up.

When Naomi got home from work that night, she found me laying on the dining room table, com-

pletely naked and spread eagled with my arms and legs tied down and a blindfold on. When she asked what I was doing, I told her I was letting her have her way with me.

It got quiet for a really long time

after that, and I started to worry that she had already moved on and was going to just leave me there. That was when I felt the ties loosen and she slid me backwards along the table so that my head fell backwards off the edge. And all I heard her say was "Eat it." And as I opened my mouth, she pressed her crotch in

close and I could only let my tongue out to explore. She held my chest down and started to slowly thrust up and down my tongue with a loud moan.

She didn't let up, but let her fingertips reach out and start twisting my nipples tightly, sending waves of pain and pleasure surging through me, and I started to squirm and writhe on the table under her command. Even blindfolded, I could've sworn I saw her smile and pleasure, though she kept pressing both as her pussy rode my tongue. At the same time, her hands traveled down my body and started to trace an outline around my dick and balls, careful not to touch them as she sent me toward the edge already, and I could tell she wanted to keep me there.

She kept her pussy in my face for several minutes, thrusting it into my face hard every time she thought I was going a little too soft. Not that my dick was getting any softer. If anything, I felt like it had to explode heavier and harder than it had in a while. And finally, she pulled herself away and swung herself over me, lowering down onto my throbbing cock with her pussy, wet with both my spit and her own arousal.

I slid in almost without resistance before she took control there too, riding at her pace, just under what I normally used, and each time I squirmed or tried to increase the tempo, she reached down and twisted my nipples again, reminding me she was in control. And as hard as it was knowing she had control of my orgasm, it was also exhilarating not knowing when I would finally cross that line and erupt deep inside her.

It was a while before she let me, unleashing her own climax first before focusing on mine, but when I finally did blow, she took it deep, her pussy almost like a straw sucking me dry as she erupted with her own

second orgasm.

Ever since, we've had sex together every night, with her calling the shots, and it feels like the adventure is only beginning, and all because of her sex diary.

– Jaysen, Reno, NV

first real chance I had to get out and experience single life again, and I went with an open mind and, if I'm honest, a horny pussy. I know I've always been attractive, about 6'2", copper-toned, dark, piercing eyes, and flowing dark brown hair, and at

Moonlight Swim

The annual Beach and Ocean Festival is one of the most important local traditions where I'm from, with myths and legends about mysterious and even magical forces at play making it the one can't miss event of the year. Years of going had made me somewhat of a skeptic about the myths, but it was still a great time, so I kept going year after year. This last year I finally discovered the truth behind the wondrous myths.

After my divorce, this was the

this year's festival, I decided it was time to flaunt it. I wore a skimpy and tight bikini that left little to the imagination, and it wasn't long before I was out in the water, swimming around happily just as the large, full moon was rising over the water, it's pale hue casting a mystical light across the sea and beach.

She appeared at my side so suddenly and subtly that I thought it must be magical. The other woman, with flawless skin, bright turquoise eyes, and soft strawberry blonde hair. As I looked over, the surprise overwhelmed me to discover that she wasn't wearing a top, with large, pointy breasts dangling and floating in the water.

She didn't say anything, but only smiled, catching my attention as she swam away, flashing a wink over her shoulder as if to follow her. As if that wasn't enough, as she splashed off, I could've sworn she had a large, blue-green fin instead of legs, though it was hard to tell under the water.

I figured what the hell and chased after her, guessing this was either the magic of the festival or maybe

I dove down to see her underwater with a wide grin, my bottoms already gone and floating away. I lunged at her, but she was quicker, swimming away with a flick of her fin and leading me closer to the cove. I swam after her, having no real chance of catching her until she pulled herself out of the water along the soft, black sandy shoreline.

And as I made my way over, starting to tire, she unzipped the

eyes, lips, and form. I couldn't help myself (and really didn't want to) as I slid up toward her and, closing my eyes, let our lips lock.

In a flash, she flipped me around and was on top, pressing against my body. She knew what she was doing as just the tips of her fingers traced along my sides sending surges of energy through me. I threw my head back and she was quickly kissing along my neck and moving down toward my boobs that I thrust in the air as I arched my back, calling, begging for her to play with them. She went back and forth between them with ease, tongue flicking over my nips while her fingers played with the one her mount wasn't on.

She took her time, the moon rising up high above us before she moved down again, spreading my legs and letting her tongue move freely between my ass and my pussy, making me squirm and writhe in ways I didn't think I could before turning herself around and giving me a chance at her throbbing crotch in 69.

I felt the rush of climax at least three times, and heard her scream out at least four before we finally curled up in each other arms, naked and alone on the beach to rest in absolute bliss. I was saddened when I woke the next morning to find her gone, but my bikini miraculously returned and laid out for me, along with a single seashell that I now keep on my dresser as a memory of that magical night.

– Grace, Huntington Beach, CA

I was going crazy, but it didn't matter because I was so intrigued. She led me along the shoreline, peeking back with a playful giggle every now and then as she headed for a secluded cove before diving under the water with another laugh.

At first, I wondered if she just led me away to swim off when I felt a surprise tug under the water as my bottoms were quickly pulled off and I felt something brush over my trimmed carpet and down toward my quickly aroused clit.

fin, leaving it on the beach, to reveal long, luscious legs supporting her completely nude body. She sat back against a rock and spread her legs for me, her hands rubbing her thighs and fingers softly moving toward her throbbing pussy.

I'd never been with another woman before, but as I pulled myself from the water, I found that I had quickly removed my top without really thinking about it and let it drift away in the water, lost in the current the same way I was lost in her
